you can look through the G drive for all of the stuff we got when we went up there. Here's the folder.

G:\NPDES\Working Documents_WithdrawalPetitions\Minnesota\MN mining\Investigation\MPCA Visit Files

I might not have all the permits in the folders as some of them I already had and therefore didn't collect. I'll try to add a folder and dump them in this morning. or, if there is something you can't find just let me know and I probably have it.

Thanks, wow a "new" one.

Hey, do you happen to have the NPDES/SDS permits for the facilities included in the mining petition?
